

## Reading News!

Don't forget to change the book for sharing at home. Sharing this book and their reading book at home is the best way to support your child's development in reading. It really makes a difference.

Please remember to bring book bags in every day!

## P.E.

Please make sure that your child has a P.E. kit including t-shirt, shorts/joggers and trainers in school every Monday for the whole week.

## Forest School

In Year 1 we go to Forest Schools on Thursdays. Your child will go to Forest Schools every 4 weeks. Please ensure your child has suitable clothing. We will display a list of children who are doing Forest School in the classroom on Thursday mornings.

Please make sure your child's school uniform is named clearly. Thank you for your support.

## Year 1 Elm and Rowan Class

Autumn Term  
Curriculum Overview

Each half term we will focus on an enquiry or a story.

This term  
Our enquiry is school  
Our story is Owl Babies

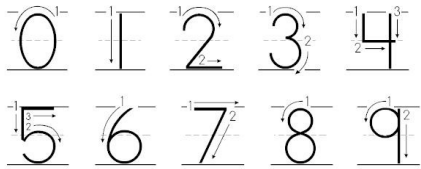

- We will be learning all about our school and how it has changed over time
- We will be learning about nocturnal animals, where they live and what they eat

## Maths

We are learning to count objects carefully, to count in 1s up to 100, to recognise numbers up to 100 and beyond.

We have been practising writing numbers, starting in the right place.

Why not look for numbers when you're out and about? On front doors, number plates and road signs.

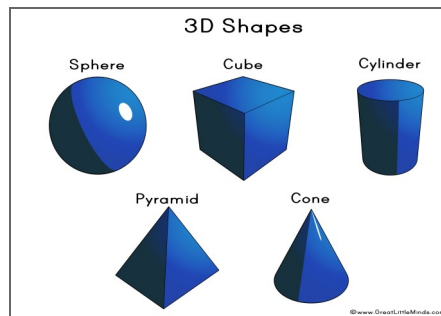

## Maths

We will be learning about money this term, in our snack shop. At home you could explore and match up different value coins with your child.

Shape is another area we will be learning about this term. The children will find out about 3D shapes and learn their names e.g. cube. They will also be learning how to describe a 3D shape using words like edge, corner, face and curved.

Please make sure that your child comes to school every day and on time.

Families are very welcome to join us for breakfast between 8.40 and 8.55am.
