Staff Meeting feedback.

Our school has a welcoming and open ethos. As part of this the leadership team and governors welcome your comments and ideas about this expenditure plan. If you would like to comment please email office@westearlhaminfant.norfolk.sch.uk.

Review of 2017/2018

Last academic year saw all children take part in at least one inter sport event but at predominately two. To ensure growth of this, children in the following academic year will take part in three opportunities comprising of:

- One Multi-skills event
- One Running Event
- One other sporting event

Key Stage1 have been proactive in meeting their daily mile challenge with year1 adapting it from morning to after lunch to accommodate all curriculum areas. An objective for the following academic year will be to improve the percentage of times children are running in a week. This will be monitored via a Daily Mile register so that the school can identify any gaps of attendance for groups of children.
