

Friday 6th March 2020

Dear Families,

We wanted to write to you to update you following our letter of the 27th February regarding novel coronavirus.

Both West Earlham Schools are receiving daily updates from the Department of Education and Public Health England.

You can also find up to date information at:

<https://www.nhs.uk/conditions/coronavirus-covid-19/>

and

<https://www.gov.uk/government/collections/coronavirus-covid-19-list-of-guidance>

We are following the advice carefully and liaising between the schools to ensure our information is up to date.

We are making sure the school is kept clean and all the extra measures that have been advised are happening to prevent the spread of infection.

Children are being reminded on how to wash their hands thoroughly on a daily basis.

Please could you reinforce this at home to help it become a habit for our children.

There is currently no cause for concern at either school, and we will keep you informed about any further advice.

Thank you for your continued support

Yours sincerely

Mrs Sarah Mardell Mrs Parry-Jones

Head teachers of the West Earlham Schools
