

## **West Earlham Infant and Nursery School**

### **Admission to School Policy**

At West Earlham Infant and Nursery School, we welcome all pupils, irrespective of faiths, cultures, races, disabilities or family backgrounds.

We admit our pupils in-line with the Equality Act 2010, School Admissions Code 2014, the School Admission Appeals Code 2012, Human Rights Act 1998 and the School Standards and Framework Act 1998.

The policy sets out the admissions process for any child starting our school. The main element is when they begin in Reception. At the end of the policy we have provided information about process when children are admitted at different times of the year or for our Nursery.

#### **1. THE ADMISSIONS PROCESS**

- A. The Norfolk County Council as the Local Authority (LA) must collate and publish all the admission arrangements in the area in a single prospectus.
- B. Parents apply to the LA for places at their preferred schools. They may express a preference for up to three schools. The common application form (CAF) allows parents to provide their name, address (including proof of address), and date of birth of their child. If a school is undersubscribed, any parent that has stated a preference for that school must be offered a place. If a school is oversubscribed, the school must rank applications against its published oversubscription criteria and send that list back to the LA.
- C. All preferences are collated and parents then receive an offer from the LA at the highest preference school available.
- D. Name of school, as well as all other schools and academies, is required to comply with the Greenwich Judgement (1989), which states that maintained schools may not give priority to children for the sole reason that they live within the LA's administrative boundaries. We do not treat pupils living outside the LA area in which the school is located less favourably just because they live outside the area.
- E. Please note pupils already attending our nursery will not transfer automatically into the main school. A separate application must be made for a place in reception.

#### **2. FIRST ADMISSIONS IN TO RECEPTION CLASS**

- A. At West Earlham Infant and Nursery School we offer all children the option of attending full time from the beginning of September. However, we provide an induction phase lasting three weeks to help children settle in to full time education. The school offers this because many children are not quite ready for a full day at school straightaway in September. We believe it is better to give time to settle and adapt to new

surroundings, people, structure and routines. Those children who do find the full day difficult may be offered an extended period of part time education, if the child is having significant difficulty settling and parents wish to choose this option. They will also be offered occasional opportunities to stay for lunch in order to gradually build up their experiences with the aim of inducting them into full time education as quickly as possible.

- B. In particular circumstances where children have specific needs, and at the discretion of the Head Teacher, parents may request a more flexible approach.
- C. Any parent accepting a place at our school is expected to read, sign and agree to the schools 'Home School Agreement'. School staff will support families who need help accessing this agreement by providing it in different languages or reading it with families.

### 3. **HOW DO WE MANAGE CHILDREN'S INDUCTION TO FULLTIME EDUCATION?**

At West Earlham Infant and Nursery School, we feel that children settle into school more quickly if they get to know the school environment and staff in small groups. How do we achieve this?

- A. Children will be given the opportunity to visit the school in the summer term prior to their admission.
- B. Staff, who will be with them in September, visit them in their setting or in our Nursery during the summer term before they begin school.
- C. During the first few days of September they come in groups of 10 either for a morning or afternoon session.
- D. During the first full week, children usually come for mornings only with staff carrying out personalised home visits during the afternoon. These home visits are normally for children who have additional needs or who have come from another setting.
- E. During the second full week children will be introduced to staying for lunch.
- F. By the third full week we expect children to be attending full time unless families and school staff believe a longer induction period would be beneficial for the child.

Families reserve the right to a fulltime place from the beginning of term.

For Community Schools the Local Authority is the admission authority and the policy for First Admission to Infant Community schools is as follows:

### 4. **FIRST ADMISSION TO PRIMARY, FIRST AND INFANT SCHOOLS**

By law, children must start statutory education full-time at the beginning of the term following their fifth birthday. All children born between 1<sup>st</sup> September 2015 and 31<sup>st</sup> August 2016 must be offered a full time place from September 2020. Parents are entitled to defer their admission or request that their child attend on a part-time basis, however the child must start school on a full time basis during the academic year and no later than the beginning of the term after their fifth birthday.

### 5. **CAN MY CHILD START SCHOOL EARLIER?**

Your child cannot start earlier than the policy allows.

## 6. CAN MY CHILD START SCHOOL LATER?

The law allows parents to ask for their child to be admitted but also allows them to delay the start date until later in the school year or to start on a part time basis. The effect of this is that the place is held and cannot be offered to another child. However, for a place to be held, admission can only be delayed within the academic year. This means the admission must take place by the end of the summer term. Places cannot be held until the following autumn term for those children who are five during the preceding summer term. By law children must start statutory education full time at the beginning of the term following their fifth birthday. Where admission is offered prior to compulsory school age, parents may defer their child's entry into school until later in that academic year.

## 7. OVERSUBSCRIPTION RULES FOR FIRST ADMISSION TO COMMUNITY SCHOOLS

- A. If there are more applications for places than there are places available, we will give preference to children living nearest to the school, according to the following rules in this order of priority:
- B. Children who are due to start school and:
  1. Have an Education Health and Care Plan (EHCP) naming that school;
  2. Are in public care or have been adopted;
  3. Live in the area served by the school and have a sibling attending the school at the time of their admission;
  4. Live in the area served by the school and have a brother or sister attending the feeder junior school;
  5. Have a disability and live in the area served by the school (appropriate professional evidence will be required to confirm the disability);
  6. Live in the area served by the school;
  7. Have been allocated a permanent place at a Specialist Resource Base attached to the school. (Places allocated by Norfolk County Council's Placement Panel);
  8. Live outside the area served by the school and have a brother or sister with a Statement of Special Educational Needs attending the school at the time of their admission;
  9. Live outside the area served by the school and have a brother or sister attending the school at the time of their admission;
  10. Live outside the area served by the school and have a brother or sister attending the feeder junior school;
  11. Have a disability and live outside the area served by the school (appropriate professional evidence will be required to confirm the disability)
  12. Children of staff
    - A. Where a member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or
    - B. The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage
  13. Live outside the area served by the school

If all children within any of the above rules cannot be offered a place, the highest priority will be given to children

living nearest to the school within that rule. To determine who lives nearest, distance will be measured on a straight line 'crow fly' basis using Ordnance Survey data. The address will be measured from the post office address point on the property.

In the unlikely event that distance does not separate the final two or more pupils seeking the last remaining place, a random allocation will be used to determine who is offered the final place.

- C. You will need to decide which schools you prefer your child/children attend by filling in an application form available from the Local Authority online at <https://www.norfolk.gov.uk/education-and-learning/schools/school-admissions> . You can state up to three preferences and you can also complete a paper application. The Local Authority co-ordinates the process and applications must have been received by them by 15<sup>th</sup> January of the year of admission to the school.
- D. The Local Authority will tell you if your child has a place at your preferred school in a letter on the national offer day in April, or by email if you applied on-line.
- E. It is very helpful to us if you can contact the office (01603 451299) and let us know that you have applied for a place at our school.
- F. We welcome visits, by appointment, to our school prior to making your decision about which is the right school for your child.
- G. If you have any queries about the admissions process please contact Norfolk County Council Children's Services on 0344 800 8020.

We have a Special Educational Needs and Disability (SEND) Policy which further outlines the support we provide to children who are identified as having an additional need. This can be viewed on our website or a copy obtained by request from our school office. We recognise the families have the right to choose the correct setting for their child with a Special Educational Need.
- H. We identify children that may attract any additional funding such as Early Years Pupil Premium, Disability Access Fund DAF, SEND Inclusion Fund and any locally available funding streams with a view to submitting a claim/application to support and improve children's outcomes.
- I. Any parent accepting a place at our school is expected to read, sign and agree to the school Home School Agreement, which forms part of our contractual arrangements. School staff will support families who need help accessing this agreement by providing it in different languages or reading it with families.
- J. Prior to attendance at our setting we will conduct a home visit in order to support a smooth transition into our provision.
- K. This Admission Policy is issued to all families as part of the registration process. It is also available on our website or via request from our school office.
