Face Mask wearing in top corridor

Dear Reception Families,

When **dropping off your child at 12.45 pm** today and for the rest of the week, please **wear a face mask in the top corridor**. This is because we are unable to operate our usual one-way system around school at this time when the older children are in class.

This will also **apply next week** when you collect your child at **12pm** and also the **week beginning Monday 21st September** when you collect your child at **1pm**.

Please continue to respect social distancing. Thank you for your continued cooperation and understanding at this difficult time.

Mrs Mardell

Head Teacher
