### Nursery offer during Lockdown 3

Dear Families,

We are very pleased to hear that you will continue to send your child to nursery during this current lock down, from **Thursday 7<sup>th</sup> January**. The session time will be **8.40 – 11.40am**

As you will have been made aware, the nursery provision may look slightly different from usual. This means the time of the session may be different from your child's normal session time, during this period. However, your child will still receive the same outstanding learning opportunities.

It is important that we continue to keep children, staff and families safe from the virus, so all our safety measures will still be in place.

It is important that you stick strictly to the current restrictions to maintain your child's place during the lockdown.

If you or your child are displaying covid symptoms or have tested positive, or come into contact recently, with anyone that has, you must let staff know immediately.

Many children appear to be asymptomatic or display different symptoms from adults. Therefore, during this current lockdown, if your child is unwell, even mildly, we ask that you keep them at home and contact school for advice.

If you have any queries about this current nursery provision please get in touch with the office 8.30 -3.30 pm week days

Kind regards

Mrs Mardell      Head Teacher
