

SEN Provision Map 2019-2020

This is our provision map but please be aware that this reflects the needs of the pupils currently on role. Wave 2 and 3 provision will reflect pupil needs, resources and available staff			
Wave 1	Quality first teaching is provided for all our pupils on a daily basis and will address the majority of our pupils needs.		
Wave 2	This provision is targeted and is additional to what is provided for all children. This is normally in the form of small group interventions		
Wave 3	This is targeted and personalised teaching for children with SEND who are identified as requiring additional support. This will be put into place for children who are not making progress through wave 1 or 2 provision.		
Our speech and language therapist works with the school every week to ensure high quality provision at all waves.			
<u>Communication and interaction</u>	<u>Wave 1</u>	<u>Wave 2</u>	<u>Wave 3</u>
