FOR PARENTS/CARERS OF Children in Conkers AM CLASS WHO HAVE NOT HAD CLOSE CONTACT

Dear Parent/Carer,

We have been advised this morning that there has been a confirmed case of COVID-19 within **Conkers am class**. However, as your child was not present in nursery on Wednesday 16th June and Thursday 17th June, they do not need to self isolate. However, as Conkers' staff now need to, the class will be closed until Monday 28th June.

Symptoms of COVID 19

The most common symptoms of coronavirus (COVID-19) are recent onset of:

- new continuous cough and/or
- high temperature and/or
- a loss of, or change in, normal sense of taste or smell (anosmia)

However, we understand that the **delta variant** may also have other symptoms such as a headache, sore throat and runny nose. So please be vigilant and get a PCR (not a LFT) if you are worried.

If you have any queries please contact the school during office hours.

Yours sincerely

Mrs S Mardell
Headteacher
