Latest Announcement from the government and what it means for schools

Dear Families,

As you will be aware, the government announced this week, the removal of most Covid 19 restrictions, from Monday 19<sup>th</sup> July.

Whilst this is good news, we know that the new delta variant is highly transmissible and is still circulating within our community.

The Local Authority has advised schools to **keep the measures they have in place, until the end of the day on Wednesday 21<sup>st</sup> July.**

At our school this means

- **Adults wearing masks at drop off and pick up time**
- **Year group bubbles**
- **Staggered start and end times**

The last thing we want is for children or staff, to catch covid, or start the summer holidays self isolating.

From the start of the new school year, on Monday 6<sup>th</sup> September 2021, we expect to remove all these measures. Look out for the last newsletter of the school year for more information.

Many thanks as always, for your support and understanding

Yours sincerely

Sarah Mardell (Mrs)

Head Teacher
