If this was in a particular area we could print out mindfulness ideas from the Boxall Profile book or the mindfulness card things that SM has. We could put dry paint brushes for children to brush each other's hands. We could have the massage ideas that you found in a book or displayed somewhere in the area. Cushions

<https://www.espo.org/quilted-outdoor-seating-cushions-n795410.html> £97.00

Maybe it would be nice to have a wooden gazebo £1000? or something like that in the Year Two area, if we can think of ways to upkeep it and keep it as a calm mindful space yoga mats <https://www.espo.org/full-of-beans-sleep-mats-n761303.html> £205.00 where children can go to stretch and move, or curl up with a calm book. We could get some nice fabrics and torches or rechargeable fairy lights <https://www.espo.org/sensory-light-pack-247863.html> £34.50 maybe (they could be kept dry in the P.E shed).

We have a wooden gazebo in our Reception area, I've got to be honest I have no idea how much it cost though... but something similar might be a nice area to go and visit.

We could have plants and things. We could even source some yoga mats and somehow put some music playing in there....! Or calm musical instruments like rain makers.

<https://www.espo.org/rainmaker-set-243116.html> x 6 £11.45 for 2) Something to excite children but also calm them through awe and wonder.
