

## **WEINS School Council Meeting**

Date: 09/01/2023

Time: 2:45 - 3:05 pm

### **Names attending:**

Teacher: Mrs Marriage

Year 1: 4 pupils

Year 2: 4 pupils

### **Minutes:**

#### **1. Share feedback from Orange books**

Mrs Marriage read through the responses in the School Council books. Some common themes for the Friendship Bench were:

- Painting the bench a rainbow colour
- Hearts
- Signpost: "Friendship Bench"
- Quotes: "Life is Bright", "Feel Happy", "Never Give Up"

#### **2. Make a plan for the Friendship Bench including who is doing what and timeframes**

The plan is to get some rainbow coloured paint and arrange a time to paint the bench.

Design some signs or pictures to go on or around the bench.

#### **3. Other suggestions that we think might work?**

The children also gathered ideas from their classmates about other things which we could add or improve in the playground. We talked through these ideas and decided which might be possible.

- Improving the football pitch - There is only 1 goal and the string is broken
- Reading shed
- Pretend shop or cafe

We discussed some options of how we could fundraise for these things. The School Council members will ask for additional ideas from their classmates.

#### **4. How will we share what we are doing with Reception classes?**

Some of the children volunteered to go to the Reception Classes to tell them what we are doing in the school council.

We will arrange a time for them to do this.

**Next meeting will be held week beginning 6th Feb 2023**
