

WEINS School Council Meeting

Date: 21/02/23 Time: 2:40-3:05pm

Names attending:

Teacher: Mrs Marriage Year 1: 3 pupils Year 2: 4 pupils

Minutes:

1. **Update on Friendship Bench - paint ordered. Need to sand and paint. Bring in wood for signs. How has the Friendship bench been going? Have the children been using it?**

- "I've seen three people on there."

- "I think it's pretty good."

- "People come over and say what's the matter and then people can join in with their games."

The school councillors replied that the bench has been successful for those who don't have anyone to play with and that they have also seen it being used by children who are feeling sad.

2. **Doing a survey for Circle Time - will support the School Councillors to ask their classmates to answer the questions.**

1. How does school make sure that everyone feels included?

2. What does the school do about bullying?

3. What do you think is important to learn about in Circle Time?

3. **Fundraising ideas: Which do we think will work best?**

We read through the ideas collected in the School Council books and discussed our favourite ones.

- selling old toys

- cake sale

- raffle

- sports event e.g. sponsored run

We discussed how we could combine these ideas into a "Family Day". It would be best to have this in the summer and on a school afternoon day.

Next meeting will be held week beginning 20/03
