- "We want children at school to feel happy and excited."
- "We want people to keep safe."
- Our friends enjoy art and cooking
- It is important to listen to others.

2. Are there any things we can do around our school to improve learning, fun and happiness?

- In the playground - improving the equipment
- Playing games in circle time
- We enjoy finding new things / changes in the classroom as it can be exciting.
- Using lots of visuals and resources in our learning
- We enjoy colouring

3. Make a list of achievable targets and things we can't do.

We felt that we can achieve the things we discussed.

Mrs Marriage will create some posters for the display board which summarise the answers from the class questionnaire.

Next meeting we will do an audit of the school environment to identify what we like and what could be improved.
