1. Feedback from Language of the Month - Igbo

Elm and Rowan answered our questions in their books and found out lots of interesting facts, including some new words in Igbo, and information about what it is like to live there.

2. Let's choose a language of the month and fill in our posters for the display.

Let's practise the words in the language we have chosen.

Language: Arabic

- a. **Hello** - salam alaikum
- b. **Good Morning** - sabah alkhayr
- c. **Please** - law samaht
- d. **Thank you** - shkran
- e. **Friend** - sadiq

3. What would we like classes to research this month about our chosen country?

We would like KS1 classes to practise writing in Arabic, and make a poster.

We would like you to choose an Arabic speaking country and do some research about it:

What is the population?

What food and drinks do they eat and drink?

What cars do they drive?

Can you choose some other Arabic words to translate?

Next meeting will be held on the week beginning 20/05/24
