Welcome back to school!

West Earlham Infant & Nursery School

Dear families,

Welcome back to school and the Autumn term. To all our new families - you are very welcome. The children have settled into the school term so well and it has been wonderful to see them all engaged in their learning alongside their friends.

Classroom Highlights

Year 2: We are so happy to welcome our new Year 2's into Oak and Chestnut class. We have settled really well into our class routines and are ready to learn so many new things! This term we will be learning all about how to write descriptive and suspenseful stories in English, understanding place value of numbers up to 100 in Maths, thinking about how life has changed over the past century in History, learning about growth and change in humans and plants in Science, learning about families, friendships and respectful relationships in PSHE and so so much more!

Year 1: Year 1 have settled in so well to Elm and Rowan Class this week. We have been exploring our classrooms, our outdoor area and getting to know the adults in our classrooms. We are learning 'Monkey See, Monkey Do' as our main story this term and have enjoyed hearing all about the things the cheeky monkeys have been doing!

Share a story

Share a story will continue this term. For our new families, this is when we invite you into class just before the end of the day at 3pm to share a story with your child. Keep an eye on Class Dojo for your child's day for this.

Reminders

School doors open at 8:35 - 8:45am.

Year 1 & 2 - After school clubs will be advertised on the playground board. They must be booked and paid for in advance at the office. £1 per club.

Contact information

It is really important we have your up to date contact information - if you have changed address, phone number or email address or one of your emergency contacts has, please let the office know asap.

Classroom Highlights

Reception: The children in Willow and Silver Birch have settled in really well and have been learning our routines and exploring our indoor and outdoor provision.

Nursery: Thank you to everyone who has welcomed us into their home over the last few days. We are looking forward to getting to know our new children and their families properly over the coming weeks. Saplings have been busy settling in and have already been to the library and completed some group times. Seedlings have welcomed not only their new children but also those accessing 30 hours.

Juniper class:
We have been all getting to know one another and learn our class routine during the week and loved exploring our class.
Blossom Class: Blossom Class are off to a brilliant start this term, showing curiosity, kindness and a love of exploring.

Upcoming Events

We are excited to be hosting the 'fussy eaters' cooking course. Places were snapped up quickly. We will also be hosting a 'English through story sacks' 'Maths through games' for families and an 'Environmental heroes' course for adult and child to complete together in school. These are all free in school! Look out for more info on Class Dojo.

Keep up to date

Class dojo is the app we use in school to communicate with you about everything happening at school. Please make sure you are signed up and regularly checking the app for updates. You would have received a text or email invite to join.
