Mrs Hunter

Head Teacher

Every day I need to have these items in school:

- 2 spare sets of clothes including pants/knickers & socks.
- A water bottle.
- A pair of wellies.

ALL NAMED PLEASE!

Self-Registration

Every morning I find my name and register myself.

Adults and children know that I am in school.

It helps me to know my name and what it looks like.

Sharing feelings and concerns

Mrs Ashwell is our Family Support Worker. She helps both children and parents/carers.

My teachers are always here for me to talk to if I feel worried or upset.

My peg and tray

My peg is where I keep my spare clothes, my coat and my book bag.

I keep any special things I make in my tray.

Sharing a book at home everyday

I keep my book and reading record in my book bag.

Every morning I can choose a new book to take home to read with my family.

Breakfast

Breakfast is served every day in the classroom.

We have bagels or cereal.

Toilets

We use the toilet independently. We always flush the toilet when we have finished.

After using the toilet, we always wash our hands with soap and water.

We wash our hands regularly throughout the day, to keep germs away!

Keeping healthy and snack time

We brush our teeth at school every day. This is in addition to brushing them at home.

We have fruit or vegetables very day for snack

We drink water to keep our minds and bodies healthy.

Lunch

We eat our lunch in the dinner hall each day.

We learn how to use a knife and fork.

The menu will be displayed outside your child's classroom window so you know what is for lunch each day.

Communication and language

Emma and Jess work with us to help our speech and language skills.

We learn new words every week.

Janet helps us to communicate properly.

Indoor Learning

We create collaboratively sharing resources and ideas.

We explore and act out different roles.

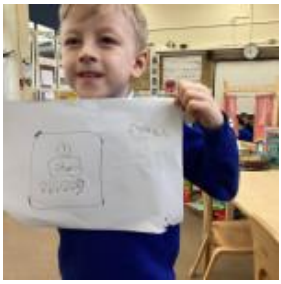

We love stories and reading.

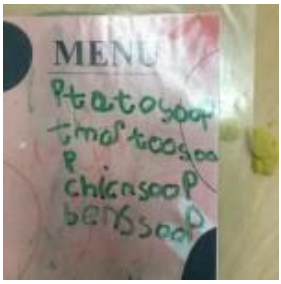

We learn by following our own interests.

Indoor Learning

We learn to love writing in lots of meaningful ways.

We love cooking and cook regularly.

We learn about important processes and changes in the natural world.

Outdoor Learning

We care for living things and our garden.

We learn to care for the environment.

Outdoor Learning

We learn how to be a team and work together.

We learn to share and take turns.

We wear waterproof suits because we get very muddy and wet outdoors.

We explore using our bodies in different ways.
