School lunches

In Year Two, your child will continue eating in the dining hall. The children will use cutlery and eat with their friends, as we are focusing on continuing to build a 'family' eating atmosphere at school.

Here is a picture of our fantastic outdoor area.

We play outside, and do lots of learning too.

How to support your child's learning at home

There are many things you can do at home to support your child's learning. These include allowing your child to read their Read, Write, Inc books to you each day, engaging with posts on Class Dojo, at home pouring glasses of water (for capacity), counting money, checking the time and giving them real life experiences for them to apply their knowledge.

Clubs

There will be the opportunity for you to sign your child up for after school clubs on Tuesdays, Wednesdays and Thursdays. . Keep a look out for the sign up forms by the office.

We would love it if everyday your child could choose a new reading book to put in their book bags to take home. They will need their bookbags daily for RWI too.

Moving Onto Oak class 2024 - 2025

Welcome to Oak Class!

We are so excited to have you join year two. There are so many lovely things planned for year two that we can't wait to share with you and your child.

Year Two staff and the school day

Your child will continue in the same class into year 2. We have planned lots of games and activities to help settle all of the children following the Summer holidays. We understand the importance of easing the children back into the school routine.

Below are the adults in Oak class 2023-2024

Mr Mayes (teacher) **Miss Evanson (teaching assistants)** **Miss Burrows**

Your child will also work with others throughout their days.

Breakfast club - if your child would like breakfast at school, this begins at 8.35am each morning in their classroom.

Morning Learning - during the morning the children will engage in literacy jobs daily, supported by an adult. They will also engage with maths learning daily.

Read Write Inc - children will take part in Read, Write, Inc sessions every morning in small groups, like they did in year one. Please make sure they read their Read, Write, Inc books at home and bring them each day, in their bookbag.

Lunch - dinner hall near our new herb garden.

Afternoon - each afternoon will look slightly different. The children will explore topic learning including History, Geography, Religious Education, Computing, Music, PE, D&T and Science etc. They will also have further opportunity to learn through provision once jobs are complete

Home time - Children will still be collected from their classroom door at 3.15pm.

Here's where we sit on the carpet:

Here is a photo of the provision in Oak class.

What to bring to school every day

Everyday your child is expected to come to school in their school uniform. As well as your child's uniform, please bring to school:

- A named bag/ bookbag
- Named wellies (to keep in school)
- Named spare clothes including underwear (to keep in school unless used)
- Appropriate weather clothing (coat, jacket, sun hat, sun cream and sunglasses etc) all named.
- A water bottle.

Please send your children to school in their PE kits on Tuesdays, ready for PE that afternoon.

You will **need to send a water bottle** to school with your child please.

Your child will spend time each day learning outside as a part of their class learning. They may get a little muddy, whilst having lots of fun learning!

We will provide waterproofs for each of the children, to be used when weather appropriate.

We provide aprons to protect children when engaging in creative activities.
